LEWIS J. LIMAN, United States District Judge:

Lively may submit a letter of no more than two single-spaced pages by July 2, 2025, addressed solely to the argument made by Wallace and Street Relations (the “Wallace Defendants”) in support of their motion to dismiss that “Lively never identifies any specific co-conspirator committing any specific act that qualifies under § 302(a)(2)—an act taken while physically present in New York—that she is seeking to impute to Wallace through the

conspiracy theory jurisdiction.” Dkt. No. 170 at 4. Although the Wallace Defendants argue in their opening brief that they are not subject to jurisdiction under the long-arm statute, including via a theory of conspiracy jurisdiction, *see* Dkt. No. 141 at 7–11, the specific argument quoted above is only squarely raised in reply.

The Wallace Defendants may submit a response of no more than two single-spaced pages by July 7, 2025.

SO ORDERED.
